*Established in 1979, Bulrush is a leading producer of high-quality substrates for both professional and amateur growers. Based in Northern Ireland, Bulrush is a wholly owned subsidiary of the Danish substrate producer, Pindstrup Mosebrug A/S. Pindstrup was established in 1905 and has production facilities in Denmark, Spain, Estonia, Latvia and Russia with sales offices in China, the USA and many other countries around the globe.*

*Bulrush is widely recognised as representing quality, innovation and excellence. We are proud of our company's heritage as we continue the development and improvement of all areas of our business in manufacturing, marketing and customer service.*
